

Adopt A Book

Long Meadow's Adopt a Book Program has been designed to enrich the book collection in the Media Center. You can adopt a book to celebrate any occasion; birthdays, graduations, holidays, accomplishments, in honor of a special person, or to just give as a gift. This program allows you to share your love of reading with the Long Meadow students.

The process to adopt a book is very simple. For a \$15.00 donation you or your child may choose a book from our selection of new books located in the Media Center. Once a title has been chosen, a dedication bookplate & your child's picture will be placed in the book. Your child will be the first to check out the book. When the book is returned it will be placed back on the library shelves for all the students to enjoy! Your child's name and the title of the book will be included on the media center website.

If you have any questions, please contact the Media Center. Thank you!
